# BANNED FROM **ALL** TRAINS FOR SEX ACT WITH A NEWSPAPER

By SIMON DEAN

**A PERVERTED pensioner has been banned from using trains after he was caught performing a kinky sex act under a newspaper while looking at a sleeping fellow passenger.**

David Gilbert, 76, was travelling between Newcastle and Edinburgh when his dirty deed was spotted by a fellow traveller.

He pleaded guilty to outraging public decency and was banned from all trains until he appears for sentencing later this month.

## Trans Tory MP denies charges over car crash

A CONSERVATIVE MP has pleaded not guilty to failing to stop after being involved in a car crash last year.

Jamie Wallis, 37, from Cowbridge, South Wales, has also denied failing to report a road traffic collision, driving without due care and attention and leaving a vehicle in a dangerous position.

The representative for Bridgend and first openly transgender MP (above) was arrested on suspicion of "driving whilst unfit" when a Mercedes hit a lamppost in Llanblethian on November 28.

District Judge Tan Ikram set a trial date for July 11 at Cardiff Magistrates' Court.

In March, Wallis revealed he had been raped and blackmailed, and was suffering from post-traumatic stress disorder (PTSD).

He also said he wants to transition to be a woman.

## Fears grow for missing girl, 15

POLICE are growing increasingly concerned for a 'vulnerable' 15-year-old girl who has been missing for 14 days.

Madison, known as Maddie, vanished on April 26 after leaving her foster parents' address in Southmead, Bristol, to say she was going to the shops.

She has been known to use social media to meet people who might give her money and a place to stay, Avon and Somerset Police said.

She is described as white, about 5ft tall and of an average build with shoulder-length brown hair.

# IS ZUCKERBERG A SPACE ALIEN?

FACEBOOK boss Mark Zuckerberg is a SPACE ALIEN!

Conspiracy theorists flew into a spin after the Facebook CEO shared a group selfie to his Facebook page to promote the grand opening of Meta's first in-person store.

The 37-year-old was snapped wearing a virtual reality headset and hanging out with his trusty employees in the decked-out shop which, he wrote, gave a "sense for what's coming as we build towards the metaverse".

It was the photos of the CEO and his trusty employees that reignited the extraterrestrial rumour mill.

"Uncanny valley vibes right here," one commenter wrote.

"Why does he look like he doesn't have a soul?" another wrote.

"Damn! You guys have really finessed that human skin. It's hard to point out the lizards," said another.

## Shock claim rocks Facebook boss

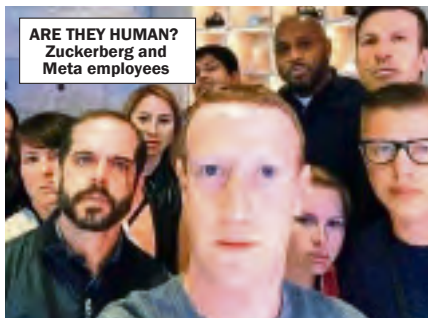

The digs at the "alien" Zuckerberg – who first emerged during the awkward congress grilling of 2018 and inspired countless memes and entire social media groups dedicated to debunking his humanness – followed the picture as it rolled across the internet.

On Twitter, one user took the liberty of wiping the smiles off the group, giving the picture an even creepier spin.

"Be it aliens, robots, whatever, they are most definitely not human," one person replied. "Nothing anyone can say will change my mind."

"This picture does a pretty good job showing the certainly odd behaviour or vibes, or something. Just something very off in this pic," another said.

## Panorama made 'false claims' on global warming

A BBC Panorama documentary about global warming made a number of false claims, an internal investigation by the broadcaster has found.

The programme *Wild Weather*, presented by climate editor Justin Rowlett (above), said deaths worldwide were rising due to extreme weather caused by climate change – whereas the opposite is true.

It also claimed Madagascar was on the verge of the first famine caused by climate change – despite other factors being involved.

The programme, broadcast last November to coincide with the COP26 climate conference, sparked two complaints investigated by the BBC's Editorial Complaints Unit.

BBC News said 'it accepted the wording in the programme was not as clear as it should have been and a public acknowledgement was put on the BBC's Corrections and Clarifications website before the complaint reached the ECU'.

## Call for windfall tax on energy giants

THE chairman of Tesco has said there is an "overwhelming need" for a windfall tax on energy companies after seeing the supermarket's customers "extremely stretched".

John Allan made the comment to BBC Radio 4's *Today* programme ahead of the Queen's speech on Tuesday.

Asked about what he wanted to see from the speech at the opening of Parliament, he said: "First of all, I think action to help people cope with a very, very sharp increase in energy prices."

"It's harder for people to mitigate energy than it is with food and I think there's an overwhelming case for a windfall tax on profits from those energy producers fed back to those most in need of help with energy prices."

## PRINCE CHARLES DELIVERS HIS MUM'S SPEECH

# SOUNDS LIKE HE'S BEING FORCED TO TAKE PART IN A HOSTAGE VIDEO...

AN emotional Prince Charles stepped in for his mother to read the Queen's Speech after the 96-year-old monarch was forced to miss it as she struggles to walk and stand for long periods.

The heir to the throne gazed at the crown before he announced 38 of Boris Johnson's new Bills for the coming year to properly punish eco 'hooligans', capitalise on Brexit and ensure Britons can pay their soaring bills.

In a highly symbolic and historic moment for the British monarchy, the Prince of Wales took on his closest role yet to that of king and addressed the

House of Lords after the Queen obeyed doctor's orders to miss the State Opening of Parliament for the first time in 59 years.

It was the first time a member of the Royal Family has delivered the Queen's Speech on her behalf.

### Hammered

And Charles referred to 'Her Majesty's Government' throughout after the words were changed hours earlier.

He addressed the peers and MPs, including Prime Minister Boris Johnson and Labour leader Sir Keir Starmer, after they were summoned to the Lords as Black Rod hammered

NO SMALL TALK:

on the door of the Commons.

But many online observers suggested that Prince Charles spoke the words of the Speech through gritted teeth.

One said: "Prince Charles' delivery sounds more like he is being forced to take part in a hostage video."

Another commented: "It looks like Prince Charles doesn't believe a word of the government's programme."

The Imperial State Crown – the greatest symbol of British sovereign power and authority – was carried to Westminster ahead of the Prince of Wales in

a limousine with Britain's Crown Jeweller.

Although she was absent due to her mobility issues, it was confirmed that the Queen was watching the event on TV from Windsor Castle.

Prince William, who will one day sit on the throne himself, arrived at his first ever State Opening of Parliament around five minutes before his father.

Charles' speech was drawn up by Boris Johnson and his No 10 team as he battles to regain the political initiative after damaging rows over lockdown parties and the heavy losses suffered by the Tories in the local elections.

The PM walked to the Lords alongside Labour boss Sir Keir Starmer, though the pair did not exchange pleasantries as is traditional.

## 'WAGATHA CHRISTIE' TRIAL KICKS OFF

LEAK ROW: Coleen and Rebekah

REBEKAH Vardy "had no choice" but to bring the libel claim against Coleen Rooney to "establish her innocence and vindicate her reputation", the High Court has been told.

Mrs Vardy's libel case against Mrs Rooney got underway on Tuesday.

The so-called Wagatha Christie case sees Mrs Vardy suing Mrs Rooney over claims the wife of Leicester City striker Jamie Vardy leaked fake stories about her to *The Sun* newspaper. Defendant Mrs Rooney and her

husband, the former England footballer Wayne, are expected to give evidence next week.

The row broke out in 2019 after Mrs Rooney posted online that fake stories had been leaked to *The Sun*, which she claimed could only have been seen by Mrs Vardy's Instagram account.

Mrs Vardy strenuously denied being the source of the leak and decided to sue Mrs Rooney for libel when no public apology was forthcoming.

The celebrity civil trial is set to run for seven days.

Trashy Rita the Albanian sword swallower

By GRACE HOOPER [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

## PITY poor Rita Ora...

When the pop pertlet posted a fun video showing her brushing her teeth, the last thing she expected was a DELUGE of filth suggesting she was washing the SPUNK from her mouth!

Rita, 31, showed off her silly side as she danced around her bathroom while brushing her teeth in a TikTok clip.

The singer boogied around to the viral sound of Louis Theroux's rapping remixed by Duke & Jones.

Sharing the post to 2.1 million followers on the platform, she referred to herself as a 'toilet raver'.

Rita finished off the amusing dance by cheekily sticking her tongue out.

But when stills of the clip were published on the website of the hate-filled Daily Mail, the vile slurs came pouring in.

## Sticky

One fiend, calling himself "Tommy tanker" slavered: "Brushing her teeth to get that salty taste out of her mouth."

Suggesting that Rita had sucked a man's erect penis until a fountain of hot, sticky SPUNK flooded into her mouth.

Another dubbed the singer "Rita Ora sausage explorer" while another described her as "Trashy Rita the Albanian sword swallower".

Last night a pal of the star described the posts as "vile beyond words".

## Kim Jong-un: Get your jeans off!

**POTTY** Kim Jong-un has banned his downtrodden people from wearing JEANS in his latest crackdown on "decadent Western influences".

The North Korean tyrant is also threatening jail for people caught with dyed hair and piercings.

North Korea's Socialist Patriot Youth League is targeting women in their 20s and 30s who wear long hair down to their waist, dye their locks brown, or don clothing emblazoned with large foreign letters.

Offenders are taken to the Youth League's office and only released when brought more appropriate clothing.

## Bishop sues Kanye West over lyrics

KANYE West is in an unholy row with a BISHOP over lyrics in one of his songs.

Bishop David Paul Moten said the surly rapper used words from one of his sermons without his permission in the song *Come to Life*.

In the song, Moten can be heard saying "My soul cries out, 'Hallelujah,' and I thank God for saving me. I, I thank God," the suit, filed in Dallas County, reportedly says.

The lawsuit names Universal Music Group, Def Jam Recordings, G.O.O.D. Music, and West as defendants.

Moten is the bishop at Joy of Lord Worship Center, an Apostolic Pentecostal church in Victoria, Texas.

The 57-year-old pastor is asking for the case to go to trial and is seeking unspecified damages.

TO millions of swooning birds, Colin Firth will always be the romantic hero Mr Darcy.

Back in 1995 he appeared as the brooding hunk in a screen adaptation of Jane Austen's 1813 famed novel *Pride and Prejudice*.

And women are still frothing at the gash over a scene in which his shirt is a little bit wet, or something.

But hunky Col's latest role requires him to perform in a scene that is a million miles away from the shy glances and

heaving bosoms of Regency England.

Because one part of the new miniseries *The Staircase* involves him simulating RIMMING his screen wife, played by Aussie Toni Collette.

The mini-series is based on a true story.

When Kathleen Peterson was found dead at the bottom of the staircase in the North Carolina home she shared with her

husband, Michael Peterson, in 2001, it kicked off a mystery that two decades later people are still talking about.

HBO Max has now entered the conversation with eight-episode drama.

*The Staircase* shares the same title as the 2004 documentary that followed both the case and the trial of Michael Peterson, who became the top suspect in his wife's death.

Colin and Toni star as the couple.

A PERV pensioner has been banned from using trains after he was caught committing an indecent act while looking at a sleeping passenger.

David Gilbert was travelling between Newcastle and Edinburgh when his dirty deed was spotted by a fellow traveller.

He pleaded guilty to outraging public decency and has been banned from using all trains until he is sentenced later.

In imposing strict bail conditions on

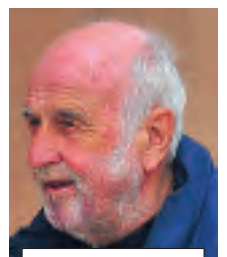

Gilbert, who has a previous conviction for a similar offence, chair of the bench Keith McIntosh said: "We are concerned about you being on any form of public transport, however we realise you live in Sunderland and you have got to come back to court."

"You are back in this court on May 31. Until

that time you are not allowed to travel on any train and you are not allowed to travel on the Metro.

Gilbert, of Westheath Avenue in Sunderland, was escorted off the train when it stopped at Newcastle Central. When police noticed his jeans were open and his "penis exposed" he was arrested," the court heard.

## Experts warn it's all over for penguins

EMPEROR penguins – made famous by the popular chocolate biscuit – are at risk of extinction, according to conservationists and researchers.

An expert from the Argentine Antarctic Institute (IAA) warned that changes could come within the next 30 to 40 years, with climate change as the driving force.

"[Climate] projections suggest that the colonies that are located between latitudes 60 and 70 degrees [south] will disappear in the next 30, 40 years," IAA biologist Marcela Libertelli said.

She said loss of solid sea ice in the Antarctic from April to December would disrupt the penguins' reproductive cycle and noted that increased tourism and fishing has impacted food sources for penguins and other species.

The emperor penguin's disappearance could also have a dramatic effect on the ecosystem there.

## Tesco tosser terrified teen in ladies' loo

A MAN was caught furiously masturbating in the women's toilets at a supermarket.

Pervert Daniel Clift, 33, walked into the ladies' loo at Tesco in Longton, Staffordshire, pulled his trousers down and exposed his privates.

He punched a security officer who tried to stop him from leaving, Stoke-on-Trent Crown Court heard.

And a terrified teenager went to get past him but he touched her on her upper thigh.

In a victim statement, she described herself as "scarred for life".

Clift, of Newcastle, pleaded guilty to exposure, sexual assault and assault.

He was sentenced to six months in prison, suspended for 18 months.

He was also made the subject of a Sexual Harm Prevention Order for seven years and was placed on the sex offenders' register.

**MANAGERS** at a posh apartment block are suing an octogenarian resident for shitting in the luxury building's communal swimming pool.

# OFFICIAL: TOO MUCH WANKING WILL MAKE YOU **BALD!**

**WANKING will make you BALD... and that's OFFICIAL!**

A top hair transplant surgeon has warned 'too much' masturbation could cause hair loss.

Dr Umeah Ahmad, from the award-winning hair transplant clinic Juvida, said blokes have approached him asking if solo-lovemaking would result in their locks falling out.

In response, Dr Ahmad explained that although vitamin A, which is found in semen, is important in regards to hair loss, a guy would need to be 'pretty much non-stop masturbating' to see any noticeable difference.

He said: "You'd have to be quite severely vitamin A deficient before you had a noticeable deterioration in your hair line."

"You'd have to be pretty much non-stop masturbating throughout the day before it had any sort of effect on your hair."

"Theoretically, if you masturbated enough, the answer is yes."

"But actually, on a practical level, it's not going to really have any real effect on hair loss."

If you're concerned about your vitamin A levels, Dr Ahmad recommends switching to a

healthy diet that is rich in vitamins and minerals.

He also explained that special supplements can be taken, but these shouldn't be necessary if you stick to the aforementioned healthy diet.

He said: "When it comes to hair, there are a lot of vitamins that play a role. Vitamin A is one of them and is found in semen."

"B vitamins which include biotin, vitamin A, D and E are some of the vitamins which can be beneficial in addition to various minerals including iron, zinc and selenium."

"Most of these things can be obtained from a balanced diet rich in fruit and veg."

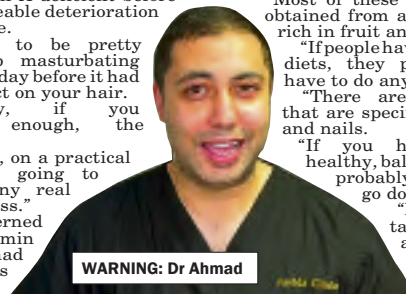

"If people have good healthy diets, they probably don't have to do anything else."

"There are supplements that are specifically for hair and nails."

"If you have a nice, healthy, balanced diet, you probably don't need to go down that road."

"But if you're on takeaways twice a day, then that might be something to consider."

## Boston's devil of a dilemma

DEVIL worshippers have demanded that the SATANIC flag should fly over a public building.

The Satanic Temple is requesting to fly a flag over Boston's City Hall following the recent US Supreme Court ruling that the city violated the free speech rights of a conservative group that previously sought to fly a Christian flag over the government building.

"The Satanic Temple replies to the Supreme Court ruling that found Boston violated First Amendment rights by refusing to fly Christian flag at City Hall Plaza," the Satanic Temple tweeted, accompanied by a screenshot of a request to raise a flag to celebrate "Satanic Appreciation Week" from July 23-29.

The Satanic Temple's online application did not provide details on the flag or what the week-long celebration entails.

## WOMAN 'STOLE' £8K SCOUTS TRIP SAVINGS

DIB-dib...ROB!

A woman was arrested for allegedly pocketing more than £8,000 from a fund created to pay for a Yank Boy Scouts' trip to Europe.

Robin DeRushie, 44, was working as a district committee member for a Scout troop in Cocoa, Florida, and was entrusted to deposit cheques from

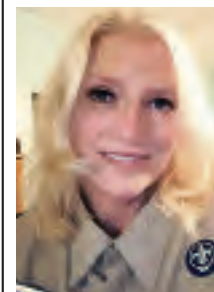

donors into an account for the trip.

Brevard County Sheriff's Office spokesperson Deputy Tod Goodyear said DeRushie believed that because the donation cheques had been written in her name, the money intended for the Scouts' trip belonged to her.

DeRushie allegedly used the cash to take a cruise, pay for passports and cover her mother's credit card expenses, Goodyear said.

When the trip was cancelled due to COVID and the donors asked her to return their money, DeRushie allegedly refused to give it back.

A complaint against DeRushie (left) was filed on April 26, leading to her arrest a week later on a charge of theft.

## Ex-cop crashed weddings and nicked prezies

AN ex-cop crashed weddings and stole thousands of pounds' worth of gifts from newly married couples.

Landon Rankin, 54, was arrested on suspicion of two counts of burglary in relation to thefts at two weddings in Phoenix, Arizona, last month.

He is also facing several drug charges after police found amphetamine and fentanyl in his possession.

Rankin (above) would allegedly pose as a guest at weddings and steal boxes of wedding cards.

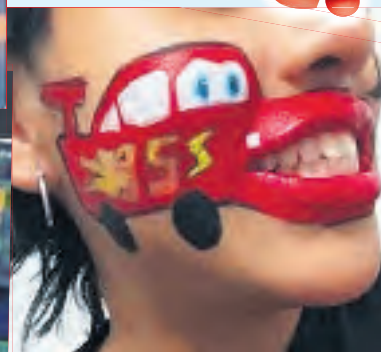

The boxes at the Phoenix weddings both contained between £2,000 and £5,000.

Police uncovered at least 11 incidents of similar wedding thefts in the East Valley region of Arizona that Rankin could be responsible for.

Rankin retired from Pinal County Sheriff's Office in 2015 after 21 years on the force.

**WE live in a world where not a day passes without somebody telling you what NOT to eat.**

They tell you that your favourite bangers will give you the cancer or that cakes will give you diabetes.

And then there's the bloody vegans who bellyache that eating anything but berries and grass makes you a serial killer.

Well, today is the day we say BOLLOCKS to all that.

Because it's National Eat What You Like Day.

The official blurb for National Eat What You Like Day reads: "On this day, people are encouraged to treat themselves by giving in to their sweet tooth, carb-loading without having a marathon to run, and eating breakfast for dinner. Because on this day, no one can tell you what NOT to eat."

**FACE OF A MURDERER:**  
Wells fired a total of 12 shots at his victims

# 'I've done BAD'

**ON a warm July evening in 2013, Amos Wells calmly walked into a police station and gave himself up. Still dripping in the blood of his victims, Wells had just murdered three generations of the same family – including his own unborn child...**

**WHEN evil Amos Wells, 28, broke up with his girlfriend Chance Reed, something deep within him became unhinged.**

It didn't matter that Chance, 22, was 34 weeks pregnant with his baby – an infant he should have been fiercely protective over.

Because, in a fit of violent anger, he took a gun and murdered Chance, her brother Eddie McCuin Jr, 10, and Chance's 39-year-old mother, Annette Reed.

Despite the best efforts of

**By DEREK JAMES**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

paramedics in Fort Worth, Texas, the unborn child – a boy – also perished in the tragedy.

Now Wells has only one more wish – to die like those he sent to meet their makers.

And that fate will no doubt come soon enough, as Wells sits on Death Row until the day he will eventually be strapped to a bed and administered a lethal injection.

In a frank and open admission in court, Wells turned to his relatives after learning of his

sentence and told them: "I did this. I'm an adult. Don't bear this burden – this burden is mine."

"The more you see me, the more you do for me, the more I will feel like I am putting this burden on you."

Meanwhile, relatives of Chance were left to pick up the pieces of their shattered lives.

Monique Myers, Chance's cousin, spat: "He just shot her point-blank. Then he shot my cousin Eddie three times."

"He was going to have a child himself. To kill that child's mother, her little brother, you don't have a heart."

## **Screaming**

Wells had arrived at Chance's house on July 1, 2013, looking for trouble.

They had separated just a few weeks earlier.

The pair began arguing in the street. Eventually, Wells was screaming at Chance to get in his car and go with him to an unspecified location.

When she refused, Wells walked to the driver's side of his Chevy Tahoe parked in front of the home, and all hell broke loose.

Eyewitness Esqual Martinez, a builder who lived two houses down, said: "At first I thought he was leaving, but he came back with a gun in his hand."

Martinez said he watched as Wells shot the woman he had been arguing with 'multiple times'.

He then saw him approach Chance's mum, Annette, who had just made a 911 call.

**MY LIFE IS OVER:**  
Wells on death row

In that recording played in court, Annette can be heard yelling: "He's going to his truck. No! Please, no!"

Martinez said she was trying to "bat the weapon away" but the man kept repositioning it toward her until he shot her in the face.

Martinez testified: "I heard some more shots. I didn't know what was going on."

The shots Martinez heard was Wells chasing down young Eddie – a terrified 10-year-old who had just witnessed his sister and mother being executed – and assassinating him in cold blood.

As Wells made his escape and with cops on the way, another of Annette's sons – Ken Speed, 21 – turned up.

He said: "I opened the car door and asked, 'What's going on?' 'A neighbour said, 'Someone got shot'."

"I saw my mum on the ground. I ran to her. She was choking on her own blood."

"I looked to the left and I saw my sister in the doorway with a hole in her head."

On seeing bullets embedded in the walls of the house, Ken's

thoughts immediately turned to his younger brother.

He added: "I looked down the hallway, Eddie was on the ground."

## **Carnage**

"I rolled him over. He had three bullets in his chest."

Police arrived to a scene of bloodshed and carnage.

Horrific bodycam footage shot by officers, which was later played in court, showed Annette lying on the floor, blood pouring from her face,

screaming for help. She fought for her life but sadly died shortly after arriving at hospital.

Wells, meanwhile, made a phone call to his ex-partner, Valrecia Brooks, the mother of his seven-year-old girl.

He told Valrecia what he'd done, informing her he had one bullet left and enough petrol in his car to drive 97 miles.

Once the tank was dry, he said, he planned to put that bullet into his own skull.

Valrecia said: "I tried to get off the phone to

London-born Lauren revealed a pre-dinner shag really gets her going, and she often serves herself up as the tasty dessert!

Lauren, who has 32DD boobs, said: "You could say I literally like a night on the tiles, or an afternoon for that matter."

"Sometimes I get hot when I'm cooking so I strip off to cool down."

"And I've not met a man yet that doesn't enjoy my appetisers."

Naughty Lauren said she isn't shy when it comes to showing off her pert pair to the neighbours either.

She added: "I have a huge kitchen window and I'm convinced that next door have caught me at it more than once."

"Last time I popped round to theirs to borrow a cup of sugar they complimented me on my 'marvellous jugs'."

**WHAT'S ANNOYING HIM THIS WEEK?**

## It's easy to mock Meg & Harry...so I will!

**WITHOUT wishing to get all Listen with Mother on you, are you sitting comfortably?**

Then we'll begin. A long, long time ago, there lived a beautiful woman whose glittering future was all mapped out.

She would have palaces, and courtiers, and a prince, and a Hollywood mansion.

She would spake her truth unto the Great Spotify, and the world would hang on to her every word.

With her Prince Charming husband, she would commit every sinew to wringing out as much money as possible from those poor souls seemingly hooked on her mesmerising dullness.

The bright, fresh, stunning princess, who could have gained five degrees if she had wanted to and had not been oppressed by the vanities of Hollywood, would then dazzle further.

### Inclusion

Her Most Veritable Truth would also be presented via the medium of cartoon in an animation series called *Pearl*.

She would draw on her considerable experience to narrate *Pearl*, a striking young woman with (please don't say "a glittering, beautiful future" again – Ed).

Unto the world via *Pearl* would cometh messages of acceptance, diversity, inclusion, half-baked mental health observations, waving, enriching ones, and when to cut a corgi's bollocks off.

Through the series, *Pearl* would also teach us about famous women throughout history.

Joan of Arc, Helen of

**LOSERS:** Lucrative Netflix project has been scrapped

Troy, Queen Elizabeth I, Cleopatra, Mary, Mother of God, Judy (of "Punch and" fame), Lorraine Kelly, the Williams sisters, and Miss Piggy.

Time restraints alas meant it unlikely the series could stretch to Queen Elizabeth II, JK Rowling, or Martina Navratilova.

But substantial airtime would still be allocated to true female pioneers, especially one young captivating actress with hair described as "like the mane of a wild Appalachian mare".

Alas, through no fault of her own, such as producing any of the promised work in return for over £100million, the evil patriarchal electronic tech gods have now changed their minds.

The flagship *Pearl* project for Netflix, says one insider, was scrapped because it was, to use Los Angeles thespian language, "f\*\*\*ing boring right-on shit".

Over the weekend, a page on the pretty spectacular prince and princess's charadee website's Archewell referencing *Pearl* quietly disappeared.

And now a Spotify

contract also seems to have disappeared up into gilded hallows of the Royal fundement, too.

This means that all the Duke and Duchess of Sussex, for it is they, have left to hang on to is Harry's upcoming tell-all memoir about his horrible family cruelly giving him on a plate a life beyond our wildest dreams.

A few more droopy-eyed TV interviews about how bad it's all been.

### Preening

A visit from Keith Lemon to film *Through the Keyhole* while Harry laughs as the host tugs one out in the royal bed and while Meghan is handed a defibrillator.

And – why not? – signing up to flog low-grade jewellery on a cable TV shopping channel.

God, it's so easy to detest the preening, pious pair of them.

But it's equally easy to rejoice in their employment ridicule.

Proving, really, that the only thing royals are good at is being royal.

And now Harry and Meghan can't even do that, either.

I love brunettes with big boobs and soft lips and it would be the best of both worlds to have a guy and a girl

In my fantasy we are rolling around on the bed, taking it in turns – kissing and caressing each other.

Next we form a human daisy chain with each person giving and receiving oral sex at the same time. That would be such a turn on!

## 'How to Murder Your Husband' writer nicked

A ROMANCE novelist who wrote a book called "How to Murder Your Husband" is accused of killing her husband in real life.

A court heard that Nancy Brophy (above) confessed to the shooting by mistake.

Brophy, 71, allegedly went into detail about the shooting with an inmate she was sharing a cell with, according to the Multnomah County Senior Deputy District Attorney Shawn Overstreet.

Brophy is accused of killing her husband Daniel Brophy, 63, in June 2018.

She shot him in the back and then while he was on the floor, according to police.

She allegedly committed the murder because of impending financial issues and needed the \$1.5million in insurance, according to authorities.

The defence said in opening statements in the trial that Brophy was at a Starbucks when the shooting occurred and presented messages between the couple to show they were on good terms.

## Funeral home boss allowed bodies to rot

AN undertaker allowed 11 deceased bodies to ROT at his funeral home, officials said.

Mark Allen, the former owner of a funeral home bearing his name in Sun Valley, Los Angeles, faces 22 criminal charges for failing to properly maintain and bury non-cremated human remains, the LA City Attorney's Office said.

The remains were found "in various stages of decay and mummification" after complaints from family members of the deceased.

According to a petition to shut down the funeral home filed by the state Cemetery and Funeral Bureau, officials observed a "swarm of flies buzzing around" the unit's exhaust vent and noted a "foul and overwhelmingly strong" smell of decay.

1488 TATTOO: Iron cross over a swastika

# Race hate thug had gang tattoo CARVED off before being SHOT and his corpse BURNED...

# A NAZI WAY TO GO!

**A NEO-NAZI thug who fell out with race-hate bosses had his gang tattoo CARVED OFF his body with a hot knife before he was shot dead and his body burned.**

The leader of a white supremacist prison gang and four associates have been found guilty of the brutal kidnapping and murder of Michael Staton.

Filthy Fuhrer, 45, who changed his name from Timothy Lobdell, and four others were convicted of the 2017 murder of gang member Michael Staton, as well as racketeering, kidnapping and assault charges by a federal jury in Alaska.

Prosecutors said Fuhrer ran the 1488 neo-Nazi gang from his prison cell, where he is serving a 19-year sentence for the attempted murder of an Alaska State Trooper, and issued orders to a trusted lieutenant to carry out kidnappings and executions of anyone he felt was "diminishing the power of the gang".

### Tortured

The jury was told that 1488 members Roy Naughton, Glen Baldwin and Colter O'Dell worked with Hells Angel Motorcycle Club member Craig King to kill Mr Staton as retaliation for stealing from King and the 1488s.

The gang kidnapped Mr Staton, binding his feet and hands, and drove him to a flat in Wasilla, about 40 miles north of Anchorage.

The gang members covered the walls and floor in plastic sheeting before they beat and tortured Mr Staton, cutting his 1488 gang patch out of his rib cage with a knife heated by a propane torch.

**EXECUTED: Staton stole from 1488 gang**

The 1488 gang patch tattoo depicts an Iron Cross superimposed over a swastika.

Mr Staton was still alive when Baldwin and O'Dell took him into nearby woods, where he was shot and his body burned.

Two other gang members, Nicholas Kozorra and Dustin Clowers, had previously pleaded guilty to murdering Mr Staton.

Fuhrer was also convicted of ordering the kidnapping and assault of two low-level gang members.

All five gang members face life in prison when they are sentenced in October.

## AGONY IS BROUGHT TO YOU IN ASSOCIATION

**WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week BEXIE WILLIAMS has been reading through your letters. And here's her advice for you...**

# Nursery teacher's bonking lesson on pub pool table

**Dear Bexie,**

**I'M a single dad of 28 and recently I moved house so I would be nearer my son's nursery school.**

When I went to pick him up for the first time, I spotted one of his teachers in the playground.

This woman was like something out of Love Island.

I knew her from somewhere but couldn't place her beautiful face... until I got home.

She works in a pub I sometimes go to. This was my incentive to go out on a Friday night.

When I arrived, there was only her serving behind the bar and a couple of blokes in the corner playing pool.

## Juices

I ordered a pint and propped up the bar for the night. Me and this teacher started chatting and got on like a house on fire.

Eventually the blokes left, so she told me to stay where I was and closed up early.

As soon as the door was locked, she walked slowly and sexily up to me and we began to kiss.

She then led me to the pool table and sat on it as we continued to kiss and fondle each other.

I unzipped my 10-incher and pulled her mouth toward it and she greedily sucked me off.

Just as my balls tightened, she pulled away and hitched up her skirt to reveal

her wet pussy. I dived in and lapped away until her juices were running down my face.

She then guided my cock into her fanny and we shagged furiously until I exploded inside her.

She quickly worked me back to hardness and then ordered me to shag her doggy-style on the table.

I was like a man possessed as I pounded away for what seemed an age until we both climaxed.

There's one problem. Her mum runs the nursery and she says if I don't give them BOTH a good f\*\*king she'll get my son thrown out.

While she's tasty, her mum is a bit old and wrinkly. What do I do?

*JJ, north London*

**Bexie says...**

CLOSE your eyes and think of the daughter.

**Dear Bexie,**

I HAVE been going out with my girlfriend for over two years, and for the last three months I have been shagging her sister as well.

She works at a pub and it started when we had a lock-in. I went to the bog and my bird's sister followed me in and gave me one of the best blowjobs I've ever had.

We were all at a party a couple of weeks ago and I was giving her one from behind when my bird walked in.

She just smiled, told her sister to move, and then pushed me onto the bed and rode my knob until it ached.

And her sis watched! Is this normal?

*AJ, email*

**Bexie says...**

NO, but it sounds great.

## Diversion gave me the ride of my life

**Dear Bexie,**

WHILE driving home from work last week with a colleague we were forced into a diversion through the countryside.

After a few miles weaving along some winding country lanes we stopped in a queue of traffic behind a broken down lorry.

In the car behind us were two blondes, who we got to meet because the driver accidentally bumped the back of my motor, leaving a big dent.

She was very apologetic and very keen to "make up for it" and I wasn't going to argue as she had a cracking body with a big pair of tits.

Totally ignoring all the other cars behind us, she led me to the back seat of her car and wasted no time getting her mouth round my stiff cock.

She was an expert at giving blowjobs, licking up and down my shaft and gently teasing my bellend until I could stand it no longer and shot my load deep down her throat.

It seemed my mate was getting lucky too, as I could make out his bare arse going up and down on the other blonde in the back of my car.

Blasting horns made it clear the traffic was on the move again and we went back to our respective motors and got moving again, giving the girls a wave as they shot past us and surged away.

I was well content, and so was my pal, but as we drove home I realised we hadn't exchanged details and probably won't see those babes again. Damn!

*VW, North Wales*

**Bexie says...**

OH dear, a dented ego as well as a dented bumper!

**Dear Bexie,**

MY wife is making me sick. I recently paid for a tit job for her to boost her confidence – and now she just can't stop getting 'em out!

Before her operation she was just like a normal woman – shy, retiring, doing as she was told – but now it's gone totally the other way.

She even told me to "get a life" the other day when I moaned about her doing a strip for the lads in our local darts team so she could show off her bigger boobs.

She now whips them out at every opportunity – in the garden, in the park, on the bus – and she's always asking my pals to have a feel of them and tell her what they think.

I'm at my wit's end now because she recently asked me if I wanted a threesome.

When I said I did, she told me to invite one of my mates around one night soon!

I thought she meant with one of her pals!

The thought of her acting like this is driving me bonkers.

What should I do?

*LS, Midlands*

**Bexie says...**

TELL her straight what you expect from her – but get ready for a battle of wits. I think she's just discovered her "other" side.

**G**ORGEOUS Georgie Lyall is the hottest thing to come out of Scotland since chilli-flavoured haggis! And the 32F model and porn star makes no bones about it...she **LOVES** cock.

Georgie laughed: "There's no point in denying it. My favourite thing is being filled to the brim with hard cock and showered with hot spunk. There isn't a feeling in the world like it!"

"I've even made a few porn movies because that's a way of getting lots of tasty, huge, hard cock and getting paid for it."

"They say that if you enjoy what you do for a living, you won't work a day in your life and I most definitely know what they mean."

"Getting bent over and filled with 12 inches of solid man-meat doesn't feel like work to me!"

**SPECIAL OFFER: ANY 3 PRIVATE SHOPS DVDS FOR £25 (was £75)**

**IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!**

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day. Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

*Down On Abby* is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smathers and Clarke Kent as Master Bates.

"It really helps me during busy days at the garage."

"She was probably my favourite *Sport* girl from the last few years.

"Please print one of her topless pics for me – I'd really appreciate it."

**KARLI BRINKLOW**

BETTING shop worker Phil Crosby is the self-confessed "biggest fan" of Luton lovelly Karli Brinklow.

The 45-year-old, from Reading, Berks, told us: "Could you publish a photo of Karli, please? She hasn't been in the *Sport* for ages. "I think she's got the perfect sized boobs – 32D. Yes please!"

# SPORT STARTS HERE WITH BOXING

**WORLD BID:**  
Chris Eubank Jr

## Eubank has one eye on world title battle

**CHRIS Eubank Jr is hoping to step up his world title quest by getting in the ring with Janibek Alimkhanuly.**

The son of legendary gloveman Chris was hoping to take on Kell Brook after he got the better of Liam Williams via a unanimous decision earlier this year.

But his fellow Brit has now announced his retirement to scupper those hopes.

Promoter Ben Shalom thinks Eubank Jr won't have to wait much longer to get the world title shot he craves.

Shalom said: "We'd like the Janibek Alimkhanuly fight potentially.

### Easiest

"He's fighting Danny Dignum for the world title in May. We're speaking to Top Rank about that fight.

"Eubank Jr wants a world title and we believe that's the easiest option for him now.

"We also think Liam Smith is a good fight and I think it's going to come down to those two.

"I'd like to see him fight for a world title, I think we can make that happen." Scouser

### BOXING By MIKE FRANCIS

Smith has upped his profile thanks to a 10th-round stoppage of Jessie Vargas in Madison Square Garden.

That has pushed him up the WBO rankings and opened up his own ambitions of a title shot.

Ultimately the Eubank camp have Gennady Golovkin in their sights.

The Kazakhstan puncher was hoping to take on a much more lucrative bout against Saul Canelo Alvarez only for the Mexican to suffer a surprise defeat against Dmitry Bivol.

Shalom added: "It will be interesting to see what happens with the Canelo-Golovkin fight, because Golovkin was a fight that Chris really wanted and I think that's a great fight for Chris.

"Golovkin's been waiting for that rematch with Canelo and if Canelo's now going to fight Bivol in a rematch, then Eubank-Golovkin could become more likely.

"I'd like to see him fight for world titles, whether it's Golovkin, Zhanibek, Lara and that's what he should be aiming for.

"Chris Eubank Jr won't

duck anyone and has never ducked anyone.

"He wants world titles and that's always been the ambition.

"Who wouldn't want a big fight with Kell Brook?

"Of course Eubank wanted that, but at the same time his ambition is world titles and his ambition is the biggest names.

"We believe he's going to have his world title shot very soon and we think that's the right path for him.

"It was right for Kell to retire and it's also right from Chris to be fighting the very best now of active fighters and be going for the titles."

### Showdown

Shalom insists he's not surprised that Brook decided to hang up his gloves at the age of 36.

He has a 40-win record to be proud of but it has denied fans a big British showdown.

He said: "We believed it was an amazing option to retire on the high.

"If it had gone the other way against Khan it might have been different, but after a career like he's had and to be able to finish on a night like that, it was definitely the right decision."

## NORWICH BOSS ANGRY WITH PLAYER AND FANS OVER SPAT

**NORWICH** manager Dean Smith says the fans AND Brandon Williams are out of order over their social media spat.

The Canaries' defender had to take down an Instagram post that had a pop at fans after the 4-0 defeat against West Ham.

The post claimed some Norwich fans had followed

By MIKE FRANCIS

him out of the stadium after the match and verbally abused him.

The defender – who is on loan from Manchester United – said: "It is not right that a small minority abuse players or, in this case, follow them."

That provoked an angry response from supporters upset that he had gone public with his allegations. And manager Smith is not

entirely happy either. He said: "He has posted that in an emotional moment. What we can't do is condone anybody following players."

"We can't condone what he did as well, but he did the right thing and took it down and gave his reasons for it."

### Responsibilities

"When I first saw it I didn't have a clue what it meant. I am not a social media person so I had no idea of the context. But the

people at the football club contacted Brandon straight away to see what it was about, what he was doing."

"Then he realised the responsibilities he has and took it down very quickly."

"He has issued a reason why he did that. As far as I am concerned and the club is concerned that is the end of it."

"I have not spoken to him about it. I don't think I need to. There are people at the football club who deal with

that and have dealt with that."

Smith poured cold water on reports that Williams had been sent back to Old Trafford early.

He said: "He'll be here until the end of the season. He goes back to Manchester United then. His loan is until the end of the season."

"He will be here like the other lads on loan. He trained really well on Monday. He will train again and we will assess him."

CIVIL WAR: Norwich fans have turned on Williams

EAGER: Pollock

## Pollock's buzzing to be a Hornet

MATTIE Pollock says he'll be rock solid in the Championship next season for Watford.

The young central defender looks like being a key man for the Hornets now they have dropped out of the Premier League.

He has returned from a season-long loan at League One Cheltenham Town where he was a massive success.

He played 39 times for the Robins and won their Young Player of the Season gong.

Now he's back at Vicarage Road but not eligible to play in the remaining Premier League matches because he was loaned out.

But Pollock wants to battle for a starting spot at Watford next season.

The 20-year-old said: "It was my first loan move and I loved every minute of it."

Cheltenham are a great club – I went out to play games and that's what I did.

"I even chipped in with a few goals. I really enjoyed the higher league and a different type of football."

The lads were special and it's one of the best groups I've been in. They all had the same ideas – the manager, the staff, the players – everyone was on the same page. They were really welcoming.

"You knew when you were out on the pitch on a Saturday, every one of them was going to work and run as hard as they could for each other. I think that is massive in a dressing room."

"They were excellent lads and it was really good. I enjoyed every second on the pitch with them."

"I have changed since I signed for Watford. I have changed in my defending and that's just from playing games."

"I had a great season and loved every second of it. I'm happy to be back and I'm hoping to kick on now and see what I can do."

Roy Hodgson is stepping down as Watford manager with QPR No2 John Eustace big favourite to take over.

UPSET: Mourinho

## Jose: I was hurt by Spurs sacking

JOSE Mourinho says being sacked by Spurs still rankles even more than a year later.

The Portuguese was fired by Daniel Levy in days leading up to the Carabao Cup final last April.

At the time, many pundits believed the axe fell then before he could win a trophy that would have made him untouchable for a while.

Mourinho has been talking about the episode. He says there are no hard feelings with Spurs but he clearly wasn't happy with Levy's timing.

It meant Tottenham is the only club where he has failed to win any silverware in a glittering career.

Mourinho said: "I am in the maturity of my career and also my life where I don't have bad feelings. I just try to accept things the way they are."

Now Mourinho has steered Roma to the Europa Conference League final – which is why he was talking about his Tottenham heartache.

He added: "I react in a funny way when I speak with some English journalists at press conferences."

"I always say the joke about qualifying for the Final, I hope not to be sacked this time, because it's something that doesn't happen to too many coaches."

"This time I cannot say I'm the privileged one, because it happened to me."

"Of course I would love to be in a position of fighting to win titles or to be in the Champions League where I played 160 or 170 games there."

"But I am loved here at Roma. I love the people here. I feel very much a part of the empathy created between the fans and the club and myself and the players. I'm very happy here."

Roma sit sixth in Serie A with two games remaining but it's tight.

That means winning the Conference final – and it's guarantee of a place in next season's Europa League – is important for Mourinho.

Roma face Feyenoord on May 25.

**LEEDS gaffer Jesse Marsch says there has been no finger pointing at Luke Ayling after his madcap red card against Arsenal.**

The skipper will now miss the rest of the season thanks to his three-match ban for the straight red. He was dismissed for a two-footed lunge on Gabriel Martinelli when the ball was nowhere near the Leeds goal.

The Yorkshiremen are staring relegation in the face as their run of bad results shows no sign of ending.

Both Everton and Burnley have been picking up points, with the bookies now making Marsch's men big favourites for the final drop zone place alongside Norwich and Watford who are already down.

Ayling is one of the more experienced players in the team which makes his moment of madness even harder to take.

He'll be a big miss against Chelsea tonight in a game that Leeds must surely take something from to have any hopes of survival.

After that they have a more winnable clash with Brighton at Elland Road but the Seagulls have just handed out a 4-0 spanking to Man United so are on a high.

Then it's a tricky visit to West London and a Brentford side who

By PAUL THOMAS

won't want to lose their last game of the season in front of their own supporters.

Despite everything, Marsch is standing by his player and refusing to throw him under the bus.

He said: "Luke's story is as much a definition of what this club has become. Calvin Phillips, Liam and Stuart Dallas too."

"They grew under Marcelo Bielsa. They helped this club come up again."

"For me, Luke Ayling defines heart, fight, hard work, mentality, dedication – he defines what we want to be."

### Pointing

"In one situation he jeopardises all he has invested. I think how it hurts us as a team, but more importantly about how it hurts Luke."

"He's not available and massively important for the group, but it's about sticking together, not finger pointing."

Marsch could be boosted by the return of Liam Cooper.

The American said: "Liam Cooper last time I said he was going to be ready to play, we thought he was going to be available then he had a little reaction leading up to the match."

"We felt it was prudent he didn't push himself. I believe now he trained a bit yesterday that after that and going into this next phase, he is better and will be available for Chelsea."

The news isn't quite so good about Patrick Bamford, with the manager saying: "He is on the pitch doing individual work. Another one that's day to day, we're about on track. He won't be available for Chelsea."

POSITIVE: Marsch

# MINA CROCKED...AGAIN

**INJURY-PRONE** Everton defender Jerry Mina may miss the final games of the season.

With Everton having clawed their way out of the relegation zone, it's a blow for boss Frank Lampard to have lost one of his key defenders – again.

And there's more bad news for the Goodison gaffer as he prepares his team to take on Watford.

Other defenders Ben Godfrey and Ukrainian Vitaly Mykolenko are also in the treatment room.

Further up the pitch, Donny van de Beek is also struggling to shake off a

By ANDY MILLOM

problem and is a doubt for a game the Toffees still need to win.

Mina has gone down with a calf problem that saw him limp off along with Mykolenko in the 2-1 win over Leicester at the King Power.

Lampard said: "Myko is good. Cramp in the calves so he'll be good."

"Jerry has a small injury in his calf so he won't be playing the next game."

"We're probably looking towards the last game of the season that Jerry could be in contention for." Van De Beek

has missed the past three games with a groin strain.

He will be looking for some gametime to impress new Manchester United boss Erik Ten Hag who he will rejoin at Old Trafford at the end of the season.

Lampard added: "Donny is not ready. We're hoping he'll be ready for next week's games, potentially the weekend."

Godfrey is doing all he can to be fit to face the Hornets and he will be needed with Mina on the sidelines.

His manager said: "Ben is working with every ounce of sweat in his body to be part of the run-in. That's the sort

of attitude we need at the football club."

Everton leapt out of the relegation zone with the Leicester win and Lampard doesn't want to slip back.

He said: "The only message for us is that as much as we enjoyed the weekend – it was a game that got us out of a relegation zone with games to go – it's very dangerous now to relax on that."

"We have to expect the worst everywhere else everyone else can win."

"But we can control ourselves, so there's absolutely no way we can relax – that's the biggest message."

OUT: Mina

**BIG RISK:** Paul Pogba

## Rio: Pep crazy to look at Pogba

RIO Ferdinand says he would be shocked if Pep Guardiola wants to sign Paul Pogba when he leaves neighbours United.

The French enigma is coming to the end of his contract at Old Trafford and has been dropping hints that he may stay in the Premier League rather than sign for old club Juventus or Paris St Germain.

It was a surprise to see City linked with the 29-year-old although he is a quality free transfer so it makes sense on some levels.

United legend Rio says both Pogba and Pep would be crazy to make the deal a reality.

The player would have to be a recluse around Manchester thanks to the stick he would get off Reds fans.

And Guardiola would be inheriting a player who has not performed to his best level since he returned to United five years ago.

Ferdinand said: "I just don't think Pep takes Paul Pogba."

"If he makes that move and takes Paul Pogba, I'll be very surprised, because of the circus surrounding leaving Man United and going to City, I don't think he wants or needs that."

"Even with the way the team is playing, he's going to have to play in front of Bernardo Silva, who's probably been one of their best two players this season, or Kevin De Bruyne."

"I don't see where he's going to play when the two best players in the team this season are playing in his position."

"So just from a tactical perspective I don't see it."

Ferdinand also jokingly fears for Pogba's safety if he crosses the city.

He said: "I don't think it's a fit at all, for many different reasons. He'd have to live in London and travel up, he wouldn't be able to go out in Manchester!"

Pogba looks much more likely to return to his native France and sign for PSG who are looking for big names as they hunt their elusive Champions League title like Pep's City side.

## Gerrard wants big-time games back at the former European champions

**STEVEN Gerrard says he's not satisfied with just steadying the ship at Aston Villa.**

The former Liverpool and England skipper wants to take the club to the next level and be challenging for a place in Europe. Gerrard has done a good job since leaving Rangers to join the sleeping Birmingham giants in November.

At that time, Dean Smith was shown the door with Villa sat in 16th place and just two points above the dreaded relegation zone.

Results quickly improved with the Villans never dragged into a battle for survival.

The arrival of quality players like Phillipe Coutinho and Lucas Digne have helped – but the manager has to take a fair share of the credit too.

Villa have a chance of finishing in the top half of the Premier League for the first time in more than a

By PAUL THOMAS

decade. They they want to kick on for seventh or better next season to get the club back on the European stage.

Gerrard said: "I think the main positive is that the players are really happy and they have bought into our identity and our style."

"We have had a lot of success in a lot of games from how we set up and I think we are getting the best out of a lot of people."

"We still see a lot of areas where we can get better and improve. We've had patches of games where we've been very inconsistent."

"But I think that's down to individual moments or individual errors rather than how we set up or how we play."

"I feel the players are on board with the things we are trying to put

in place and we are feeling more comfortable game by game."

Gerrard is trying to play a long-term game and has been working on his backroom set-up as well as putting better players on the pitch.

He thinks that will be important to make sure Villa are not looking over their shoulder next season.

### Breathe

Gerrard added: "We have had to try to manoeuvre the team away from danger and get into a positive position in the table but alongside that we have analysed all of the players, all of the players we have on loan, and some of the staff."

"We have made some alterations around the building in terms of rules and other things, but this summer will give us a chance to breathe, reflect and reset."

Gerrard realises his first job has been to keep Villa in the Premier

League. Now that has been achieved he wants to push on and stamp even more of his authority on the club.

Gerrard said: "We will have the luxury of a pre-season, where you can really nail down your identity and style."

"To do that when you're playing every six or seven days is a real challenge because you get limited time on the training pitch, but overall it's been positive."

"I'm content with where we are and I see signs of progress."

Gerrard saw the first priority to make Villa harder to beat in Premier League games.

The likes of Tyrone Mings seem to have raised their game since the manager changed.

By being tighter at the back, they would get better value for the goals they were able to score.

There have only been two defeats by more than one goal, which is a

# HALF LEAGUE FINISH AND MORE

**BABY STEPS:**  
Gerrard is taking his time improving Aston Villa

positive for the gaffer and he wants to build on that.

He said: "I think it's down to how we set up out of possession, our distances and our shape, but also a massive effort from the players in terms of their application and commitment, because they're the ones who are going out there and carrying it out."

## World-class

"When you come into a new job and you are bringing your style and your way, it's important you get buy-in from the players and these players have gone out and put their bodies on the line."

"They have really bought into our shape out of possession and that's helping us to defend better."

"A lot of our top performances this season have come when having less possession and I'm OK with that."

When you're playing against world-class players and world-class teams, at times you have got to be pragmatic.

"I don't think it works to be gung-ho and careless."

There's a big question about whether the club will make Coutinho's loan deal permanent but that could mean selling Emi Buendia.

Gerrard said: "When we decide to play with one number 10, it may be that only one of them can play, but I've shown many times that we can play with two number 10s in the team and I think they are both capable of playing as eights as well in certain situations."

"They are two great players and I'm lucky to have them at my disposal."

"My job is to manage the situation when players don't play, but I'll always be honest and authentic with them."

# Ange wants to toast title with big win

By ANDY MILLOM

ANGE Postecoglou wants his Celtic players to make sure of the title by beating Dundee United.

The Hoops need just a draw to win their crown back from Rangers – but the manager would like to celebrate with three points.

It has been some turnaround for the Glasgow giants who were a whopping 25 points behind Steven Gerrard's Rangers last season.

But the former Liverpool ace is now in the dugout at Aston Villa and Postecoglou has worked wonders on the other side of Glasgow.

He is not taking anything for granted and knows Dundee United would love to spoil the party at Tannadice.

The big Aussie said: "We are under no illusions, we have an opportunity to make it a special night for the football club and our supporters. I am sure they will enjoy it."

"After last season's disappointments, not just the fact that we obviously didn't have success as a football club, they weren't able to feel part of it, they couldn't contribute as they weren't allowed in the stadiums."

"This year everyone has put in maximum effort including our supporters."

"Everything they had pent up from last year they have released this year in a positive way and I am sure everyone is looking forward to the last two games."

"Our role in that is to make sure we continue on with our good form and continue on from

**ROCK:** Carter-Vickers

the football we played at the weekend and take that into tomorrow night and as I said, take the opportunity to make it a special night."

Celtic have most of their squad available with Josip Juranovic the only injured player.

He can play Callum McGregor in the middle of the park and has a strong defence with Cameron Carter-Vickers fit at the back.

Postecoglou wants another good effort from his men.

He added: "What we have done this season is chip away."

"Every week is important, we have taken every game with the same preparation and intent, equal respect for every opponent, home and away, and not looked beyond that."

"That has served us really well to be in the position we are."

"Our goal has been to be the best possible team we can be, play our football, respect our opponent, respect the occasion and be at our best."

## City win race to sign superstar Erling

**MANCHESTER City have beaten off rivals Real Madrid to seal a deal for Erling Haaland.**

And they haven't had to break the bank to sign the Norwegian from Borussia Dortmund.

It looks like they will just have to pay his release clause of around £63m –

By JOHN ANTHONY

which seems a massive bargain for the 21-year-old. Haaland supported City as a kid because his dad Alf Inge was a regular for the Blues.

United had hoped to be in the race but were never seriously in with a chance.

Real Madrid gave City the green light when they

decided to break the bank to sign Kylian Mbappe from Paris St Germain.

As much as they would like to buy to Galacticos as they did in the old days, funds in the Spanish capital won't stretch that far.

Wages have been agreed at a "basic" £375,000 per week but that figure will be boosted past the £500,000

mark if Haaland and City meet bonus targets for goals scored and trophies won.

There will be a massive signing-on payment plus agents fees that will mean City shelling out around £200m over the next five years to have Haaland.

But with his record of a goal a game in Germany it could be money well spent.
